

We can make a difference by improving practice with innovation

Recycling – A Global problem addressed in SCBU- Sue Veale

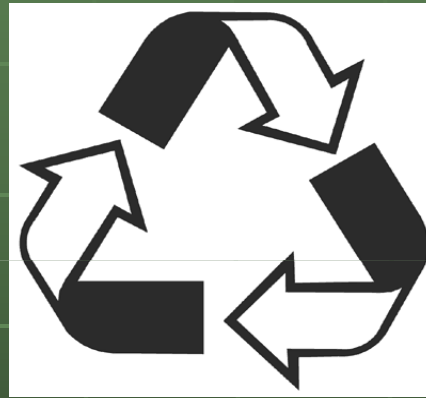

SCBU discarded 100 plastic baby bottles daily

Finally...

Waste Management is a serious global problem

SCBU has Recycling facilities!

4 rubbish bags to landfill weekly

Ongoing Liaising with Waste Management

No recycling facilities available in SCBU!!

These things take time!!!

Review guidelines of WDHB Waste Management Policy

Implemented temporary recycling on SCBU.

Designed “Help to reduce our footprint poster.”

Personally recycled SCBU plastic at home over 6 months.

No recycling facilities in any clinical area!

Liaised with Waste Management & Energy and Assets Managers

Acknowledgements
Paul Bebbington Energy & Asset Manager
Jennifer Rickerby NE SCBU
SCBU NSH great team effort.
